Important!

Please pay close attention to the financial information included with today’s bulletin. You can see from the charts that we are spending more than we are receiving each month. This will prevent us from being able to give more than was included in the budget to missions. Our daily budget requirement to meet our budget is \$708.87 which equates to \$21,974.97 for the 31 days in August. We only received \$16,548.00 or 75% of the required amount. Please make this a matter of prayer and give as God provides going forward.
Stewardship Committee

Earlier this year we participated in the “Baby Bottle” fund raiser for New Hope Pregnancy Care’s Compassion Care Center in Yadkinville. We received an acknowledgement for the contributions from our congregation in the amount of \$327.41. Thank you for your efforts and participation.

In years past, individuals, Sunday School classes and Mission Groups have “adopted” a resident at Pinebrook Assisted Living for Christmas. We have a letter on the bulletin board in the back hallway with information regarding their needs for this coming season. It provides contact information for more details.
